

Patient safety awareness week

17–23 September 2021

Are you patient safety aware?

Join the College's patient safety awareness week to help raise awareness of patient safety and improve the pathology services we provide to patients.

- Interact with our **infographics** on the journey of a blood sugar sample.
- Read an article on **patient liaison**.
- Check out our new **patient safety bulletin**.
- Explore our **patient safety resources**.
- Enter our **essay competition** to win £200.
